2023 ACTIVE KIDS GRANT ROUND

You can sign up with the ASF through our [website](#). You will need the details of your club/organisation, including an ABN and incorporation (INC) or company number (ACN), as well as two authorised contacts. The sign-up process should only take 5-10 minutes to complete.

*Already signed up? Jump to step 3! If you can't remember your login details, click on "Forgot your password?". Enter the email address you use for the ASF, which is also your username, and a reset password link will be emailed to you immediately (remember to check your junk/spam folder).

STEP 2. LOG IN

When you finalise the sign-up process, you will immediately receive a "Welcome to the ASF Platform" email. Click on the link included in this email to create a password (your username will be your email address).

STEP 3. LOCATE YOUR ASF MEMBER NUMBER

Once you [login](#) to the ASF platform, you will find your ASF member number at the top right-hand corner under your name, or by going to the "Account" section.

STEP 4. APPLY FOR AN ACTIVE KIDS GRANT

When the 2023 Active Kids grant round is open for applications on Monday 11 September, there will be a link to apply on the Home page of the ASF platform. Please note that you will need to provide your ASF member number in your grant application. For more information about the 2023 Active Kids grant round, please visit <https://fundraise.sportsfoundation.org.au/grants>.

STEP 5. EXPLORE FUNDRAISING OPTIONS

While you await the outcome of your Active Kids grant application, we suggest that you explore our other fundraising options, including the opportunity to collect tax deductible donations for your club/organisation.

Not only will a fundraising project mean additional revenue for you, many grant applications are strengthened by evidence that you are already fundraising.
